

(a) Heterogeneous effect estimation error with fixed T and varying μ .

(b) Average effect estimation error with fixed T and varying μ .

(c) Heterogeneous effect estimation error with fixed μ and varying T .

(d) Average effect estimation error with fixed μ and varying T .

Figure 1: Results of control experiments with fixed T and varying μ (Figures 1(a) and 1(b)), and with fixed μ and varying T (Figures 1(c) and 1(d)). The additional experiments corresponds to Figure 4 in the original paper.
